Verio On-Demand Services from MarketWorks, LLC

### Providing SaaS offerings for today's small businesses

MarketWorks, LLC now offers Verio On-Demand Services, a growing series of software-based business enablement services. The services empower businesses of all sizes to capitalize on powerful, market-leading software innovations, without the need to invest the time and resources typical of business software installations.

### Create a storefront with Accrisoft E-Storefront

Want to build a thriving e-commerce business selling products directly from your Website? Accrisoft E-Storefront makes it quick and easy to transform Web traffic into revenue. The simple-to-use, Web-based shopping cart platform delivers all the functionality and features you need to build and operate an online store.

Accrisoft E-Storefront is available as an On-Demand Service, so you need not purchase, install, or maintain the application. You simply pay a low monthly subscription fee.

- » **Create an online product catalog** – Powerful tools help you create an online catalog of products and services, complete with photos, prices, and descriptions. Professionally designed templates make it easy to create the catalog – without design or technical skills.
- » **View and manage orders** – It's never been easier to view, edit, and delete orders. When orders are completed, you can display order numbers, total cost of items, and billing types.

» **Process payments online** – Easy-to-use payment processing tools help you build a profitable e-store. You can activate a professional shopping cart to step visitors through the buying process. You can accept and process payments via credit card, or other payment options:

- Manual
- Authorize.Net
- Merchant Partners
- Innovative Gateway
- Payflow Link
- PayPal

» **Automatically calculate taxes and shipping** – There's no need to calculate taxes or shipping charges. Once you enter the appropriate tax rates and set up shipping zones, Accrisoft E-Storefront takes care of the rest, automatically calculating taxes and shipping costs.

» **Easily manage orders** – Accrisoft E-Storefront makes managing orders easy. A secure database keeps all customer data safe. You can purge orders one at a time or in groups, and either export all orders or export by order status (placed, processed, shipped).
